

57: Kapitan Karabiner to the rescue (again)

answers

scenario 4

KK would say a funky-up version of “Boofa, the whole group is relying on you to do your job. Being the whip is a leadership role that takes priority over anything else going on in your head.”

scenario 5

KK would say a funky-up version of “Choofa, if you run downhill, or step on a wobbly rock, you will sprain or break your ankle. Either way, it would be very painful for you & very serious for the whole group.”

scenario 6

KK would say a funky-up version of “Kiddies, whenever you cross a creek, undo your hip belt & chest strap, because – if you do fall in the water, you need to be able to release yourself immediately from the pack.”
